

AdaptNET grantees selected for the 3-month training

The following PhD scholars/ postdoctoral fellows have been selected as per merit by the AdaptNET selection committee and have confirmed to undergo a 3-month training period from March 2022 onwards in one of the European AdaptNET organizations.

The candidates are instructed to submit an application requesting sanction and disbursement of his/her travel and stay costs with a tentative budget and a tentative tour programme to Prof. B. K. Sarmah (bidyutsarmah@aau.ac.in), the Indian Coordinator, AdaptNET. The AdaptNET programme will provide EUR 820 for travel expenses (aller-retour ticket) and EUR 3810 for cost of stay (for 90 days stay). An insurance coverage of 132 Euro per student from the Travel and Stay costs will be deducted by AdaptNET.
